**Long for This World: The Strange Science of Immortality ...**  
The through-line of “Long for This World” is the story of a geneticist who discovers a cure for a deadly childhood disease. The book is also about that geneticist, Henry Moss, and his family: his wife Ilse, from Austria, his daughter Sandra, who is a high school basketball player, and his son Darren, who is 14, the age at which kids with this disease typically succumb.
